Why GolfTEC?

As a result of our tremendous growth GolfTEC is looking for golf professionals to help grow our business. If you are a golf professional looking for an opportunity with a dynamic, growing company with room for advancement, then GolfTEC is the place for you. Our Coaches use GolfTEC's proprietary state-of-the-art teaching technology, including digital video, motion analysis, and launch monitors.

At GolfTEC we provide opportunities for enthusiastic, business-minded golf professionals. Our most successful Coaches have a combination of a few of these key personality traits:

- Sales-oriented
- Hard working
- Computer savvy
- Enthusiastic
- Professional
- Network-oriented
- Fun
- Organized

Ensure a Quality Teaching Career with GolfTEC

If you want to become the best golf instructor possible and are interested in running a successful business, then GolfTEC may be a great fit for you!

Through our certified training program at GolfTEC University, we will give you the tools

necessary to become an expert regardless of your current level of golf instruction experience.

Most GolfTEC Coaches are PGA Members or PGA apprentices. However, we will consider other qualified candidates who are willing and able to work towards their PGA Membership.

GolfTEC University

All GolfTEC Coaches attend GolfTEC University (GTU). GTU is a PGA certified program which provides the most comprehensive instruction training program in the world. GTU is led by two PGA Master Professionals in Instruction who have won numerous awards for their teaching excellence including PGA Teacher of the Year and Golf Digest Top Teachers in the State.

The PGA of America awards continuing education credits to PGA Members who attend. GolfTEC University gives new teaching professionals the tools necessary to run a successful business and advance their careers with the organization!

Training Consists of the Following Subjects

- Company background & history
- Client development
- g-PUTT: state-of-the-art putting stroke analysis
- CaddyMaster / point of sale
- Instruction (full-swing, golfer development, short game, mental and physical conditioning, beginner and advanced players)
- Psychology of coaching
- g-SWING teaching software
- Initial Evaluation process
- Club fitting using Vector Pro Launch Monitor
- Client rapport and learning styles

Benefits of Working at GolfTEC

- Above-average compensation package for Certified Personal Coaches
- Year-round employment
- Two days off per week – one of them is a weekend day!
- 14 days paid time off (PTO) your first year, 19 PTO days in years two–five (including seven company holidays: New Years, Easter, Memorial Day, Independence Day, Labor Day, Thanksgiving & Christmas)
- Health, dental and vision insurance available
- 100% PGA dues paid
- \$500 yearly continuing education allowance
- Traditional staff agreements available

"I graduated from the Arizona State PGM program and after working for several private country clubs, I found that teaching was my true passion. GolfTEC has given me the confidence to be a great instructor. The features and benefits of the system allow the clients to receive the best golf instruction that is available. This is by far the BEST job in the golf business for someone who loves to teach. With the compensation plan and the days off, you can't beat it!" – **Noah Vinyard**, GolfTEC Coach and PGA Member, Charlotte, NC

"While attending the Professional Golfers Career College, I found that my true passion was teaching golf. This is the main reason why I chose to join GolfTEC. The video and motion technology, proven fact-based teaching methods, and personal relationships with my clients are just a few of the reasons why I am confident and happy coming to work everyday. If teaching is your passion, you have found your home!" – **Ryan Skoglund**, GolfTEC Coach, Boston, MA
